in 3 years with the **#BMEdegree**

STUDY. TRAVEL. LEAD.

The BME study programme is a **three-year bachelor's programme** that takes you beyond the classroom - and beyond borders. Each year, you study at a different partner university in Europe and beyond, building real international experience while shaping your own academic path.

"Getting out of your comfortzone is the key to growth" *Ryan Thorpe, UK*
Class of 2017

DOUBLE DEGREE

Graduate with **two internationally recognised bachelor degrees in three years**: one awarded by UCLL University of Applied Sciences in Belgium, and one awarded by your third-year partner university. A strong advantage in the global job market.

INTEGRATED INTERNSHIP

The study programme includes an **integrated internship** that allows you to gain valuable international work experience, develop professional skills, and **build a strong foundation for a global career.**

POST-GRADUATION

The BME programme equips students with the practical skills, hands-on experience, and international mindset needed to launch a **successful career immediately after graduation** or confidently pursue a **master's degree at leading universities worldwide.**

CREATE YOUR OWN STUDENT JOURNEY

From day one, you **shape your own international journey** by choosing from a network of highly-ranked partner universities. This flexibility allows you to build a pathway that matches both your ambitions and your budget, with **affordable and adaptable tuition fee** options.
